Clackamas River Watershed Program

Working together to protect and conserve our drinking water.

Partnership for Clean Water

To enhance the benefits of the CRWP's Spill Prevention Cost Share Program (Up to \$1,000 reimbursement) UltraTech and Mallory Safety & Supply are working together to offer participants an additional 10% discount of secondary containment and spill prevention equipment. The products listed here are examples of spill containment and stormwater related products you can buy under the CRWP Cost Sharing Program that are also eligible for this discount. To receive this additional 10% discount please contact:

Kevin Peterson – Mallory Safety and Supply
kevin.peterson@malloryco.com · 971-207-9911

In addition to this discount UltraTech is offering businesses that qualify for the CRWP program a free walk through inspection from one of our spill containment, spill response and stormwater management experts. Our experts can help you identify the correct products to use for your unique secondary containment, spill response and stormwater management requirements. To schedule a walk through please contact:
